CheckFree Authorization Form

In an effort to conserve our environment and go green, Matson Alarm is implementing the CheckFree program. Automatic payments mean that you don't have to write checks or pay postage every month, cutting down on your paper use and cost.

To charge your monthly payment to a credit card or checking account please fill out the authorization form below. Mail this form in with your next payment and the process will start on the next billing cycle. Please keep in mind that your current balance must be paid in full in order to start the CheckFree program.

If you choose to pay through a checking account please attach a VOID check.

Please note that any invoices, apart from your monthly rate, will automatically be deducted from your credit card or checking account as well.
